EXPERIENCE

Software engineer intern @ Clever Council

JAN 2021 // *San Francisco, CA*

➢ Merged multiple pull requests, becoming experienced in a Git workflow.
➢ Utilized Python library to allow users to automatically create PDF documents, helping expedite wage disputes.
➢ Refactored React codebase to improve UI and improved user experience.
➢ Wrote unit tests for various React components to improve test coverage.

Lead Supervisor @ Heisler Construction

April 2012 - March 2020 // *Burlingame, CA*

OTHER POSITIONS HELD: *Laborer, Apprentice Carpenter, and Carpenter*

➢ Mentored and worked with a crew of five carpenters and laborers.
➢ Collaborated with architects, engineers, electricians, plumbers, and homeowners to complete new home construction.
➢ Ensured work was done properly and up to code.
